

Carrington Daycare Provider Grant

Introduction

The Carrington Economic Development understands the need for quality daycare that not only allows parents the opportunity to seek employment but allows individuals to create a safe and fun learning environment for children in the community.

❖ **Background**

The Carrington Economic Development Board developed this Daycare Facility Grant to help local individuals start and develop a daycare in the community.

❖ **Application Requirements**

Applicant will need to submit the attendance roster that is provided to the State for licensure and copy of daycare license.

❖ **Program Requirements**

Half of the grant monies will be paid at the time the application is approved, 25% would be paid at six months and the remaining 25% would be paid at 9 months. The provider will need to submit the attendance roster that is provided to the State for licensure.

Grant Process

❖ **Administration**

Grant applications shall be reviewed by the CED Board and will require City Council approval. The grant program and its implementations will be reviewed on a year by year basis and is subject to change. CED has budgeted \$10,000 annually for this program and any request after \$10,000 has been paid out will be on a case by case basis.
